MESSAGE

I am happy to know that the International Centre for Culture and Education (ICCE), Mumbai has taken an initiative to organize 'Entrepreneur Vision Certification Program'. It is a matter of great pride that the program aims to educate Indian youth on entrepreneurship skills and to provide a platform to them to become successful entrepreneurs.

The program will bring immense benefits to the youth who want to be entrepreneurs and will also fund the dreams of the ones who present the best ideas. This will give the youth, an opportunity to bring out their entrepreneurial skills and to be possible employment generators.

I congratulate International Centre for Culture and Education (ICCE) and the Entrepreneur Vision team for coming up with this brilliant program and wish them the very best in their endeavour.
