MESSAGE

I am happy to learn that a Project "GREEN (R)EVOLUTION GLOBAL PROGRAMME", has been initiated by 'The International Centre for Culture & Education (ICCE)' with the support of 'United Nations Framework Convention on Climate Change (UNFCCC)' by duly involving Students of Schools & Colleges and the Corporate Employees to spread knowledge on the effects of Climate Change, fight against it and the action to be taken to mitigate the same to define our future.

I send my felicitations & best wishes to the Organisers for a grand success in their sincere efforts to implement the Project.
